

International Application No. PCT/BE2005/000023  
Attorney Docket No. VERH3009/JEK  
Preliminary Amendment

**REMARKS**

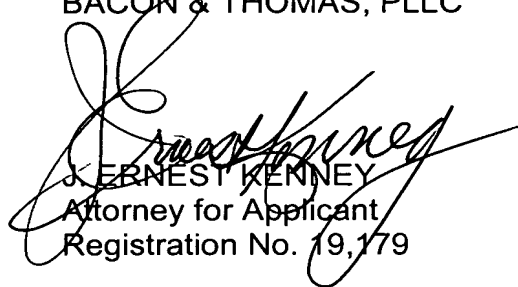

An abstract has been added which is consistent with the abstract presented in the international application of which this application is the U.S. national stage and which was published as WO 2005/080814 A1.

The specification is amended by retyping the specification so that it incorporates the amendments made during international preliminary examination during the international processing of the international application PCT/BE20055/000023. No new matter has been introduced in the substitute specification.

The claims have been amended to bring them into better conformity with U.S. practice and to incorporate the amendments made during international preliminary examination of the application.

Examination of the application as-amended is respectfully requested.

Respectfully submitted,  
BACON & THOMAS, PLLC
